MARK a BALL BALL MARKERS

Mark A Ball introduced the first plastic beveled edge marker in Portland, OR in 1958. Co founders Charlie Sullivan and PGA Head Pro Ted Longworth from Waverly CC teamed up together and formed the business over 60 years ago. It has been a favorite for courses from the East to West Coast. Craig Pelzer bought the company from Dan and Kathy Packard in January of 2015. Since then we have expanded the business by adding plastic Quarter Marks. Keep us in mind for last minute ideas for tournaments or your club logo. Turnaround time is under a week for most orders.
