4-Hole Square 59" x 59" Mat

Extremely realistic "feel" imitates natural turf. Your driving range customers can hit ball after ball without experiencing the bounce or resistance of a normal mat.

- 1 1/4" Crimped Nylon Turf
- 1/2" Foam Pad
- Regular wooden tees will stick in the mat

Create your own tee line by placing several mats together

Easy Picker Tee Line Artificial Turf

This new generation of nylon turf is the perfect surface for artificial tee lines. The turf is manufactured from texturized nylon with 125 ounces of face weight which replaces the old sand filled systems.

- 1 1/4" pile height for a natural feeling hitting surface
- Turf will not crush out or become hard with daily use
- Uses wooden tees, so no need for rubber tees
- Long Life

Installation

Can be glued directly to any concrete surface or can be installed over a crushed limestone base with a sod perimeter to keep the turf in place.
